## A MESSAGE FROM THE MINISTER

As we begin 1978 together, we must recognize the tremendous potential that can be found within the lives of those who make up the Northland family. It's a grand privilege indeed, to be a member of the Church for which Jesus gave his life (Acts 20:28). With that privilege, however, come numerous responsibilities. Among the foremost work that lies before us is the great responsibility to evangelize. Northland has made some inroads into the field of lost souls within its grasp. For instance, our Bible Call program is growing in a magnificent way and more and more people are becoming acquainted with this evangelistic endeavor. Our sister congregations in the city have been assisting us in a very cooperative way by providing volunteers to help operate the tape machines. Our elders and deacons are working in the area of restoring the erring. We have some very dedicated Bible Class teachers who are seeking not only to impart the Word, but to involve themselves in the lives of their students. Just this year, the congregation will begin supporting a missionary in South Africa, Brother Andy Jooste. We are thrilled to be able to have a part in taking the gospel to that part of the world. There are so many things that I could mention about the Northland Church that make it a wonderful congregation to work with as a minister. Although my association with the congregation has been brief, the people here have made Jennifer, Jonathan and me a part of them. For this we are grateful and we want to say that we have come to love you very much in the short time we've been together. We look forward to many profitable years of labor together in the Kingdom of God. Listing in this church directory no way insures one's being listed in the Lamb's Book of Life. Only a surrendered life to Jesus can insure that. This directory is provided for your convenience and to help you be acquainted with the Northland family. Special thanks goes to those who have had a part in making this directory possible. I close with the challenging words of Nehemiah as he thought of the task that lay before him, "Let us rise up and build" (Neh. 2:18). May that be Northland's goal in the coming years.

-Steve Campbell-

The Elders wish to express their appreciation for the dedication and involvement of each member and for your cooperation in the various accomplishments we have enjoyed together in the Lord. We look forward to sharing together many new challenges in the future. Our admonition to every member is to pray "without ceasing" (I Thess. 5:17), and to develop a greater knowledge of God's Word and to show a greater concern for those outside of Christ, that our labors together this year may be bountiful. We hope our new directory will serve you as a useful tool in His work here at Northland, and that it may be a means of drawing us together in a united effort to a greater communication with each other. "For we are labourers together with God...", I Cor. 3:9.
