

A photograph of several wooden blocks with letters on them. The word 'LEGACY' is spelled out in a row of six blocks in the center. Other blocks with letters like 'X', 'A', 'Q', 'R', 'U', 'D', 'C', and 'V' are scattered around, some in focus and some blurred. The background is a light, textured surface.

Lessons from 1 Samuel

There is something special about being
marked by God

Earthly greatness doesn't last

Humble yourself before God humbles you
